Deluxe Series

SMART series

Established in Gujrat, in 1957 by Sheikh Rafiqullah, Rafiq Engineering Industries (Pvt.) Ltd. is the proud manufacturer of electric fans and appliances under the brand name; Royal Fans now a household name synonymous with reliability.

Though our beginning was humble with just a small unit in an already established fan industry, focus on hard work and a relentless commitment to quality and innovation cemented its reputation as an industry leader.

Today, our factory sprawls over 8 acres, we manufacture an extensive range of 200 plus products, have a vast network of over 2500 dealers nationally, export to over 10 countries globally and are considered at the forefront of technological and innovative advancement in the fan industry.

Our focus has remained on attaining the highest level of customer satisfaction by using the best raw materials, applying sustainable and best practices coupled with constant research and development to manufacture the finest products. Bringing you a product that promises cutting edge engineering, premium quality whilst guaranteeing a perfect combination of style, practicality and reliability.

We are the first to introduce the energy saving fans and now are breaking boundaries yet again with our Smart Series Fans in Pakistan.

Our fans are also the first in the industry to have been awarded with the international CE Mark by RW TUV Nord and we are an ISO9001 certified company. Our products are compliant with international standards for exports such as IEC, SLS, G-Mark, SASO, CE and PS-1, Pakistan Energy Label.

Using the finest raw materials, constantly upgrading manufacturing technology and processes, ensuring strict quality control measures, sustainable and best practices, and R&D. We make Fans that are aesthetic, energy efficient, and reliable.

We are the only brand offering Lifetime Guarantee of our products making Royal Fans the most trusted brand that truly delivers on its promise of a 'lifetime partnership'.

Royal Fans
